Product order:

Part-No.	Description	Quantity	Price	Comment

Conditions for lending & return of test samples

Customer assures to return the products immediately after expiration of lending period. MASS claims payment for expired time of test samples. We send an invoice simultaneously with the delivery note with a credit periode of 30 days. .

Lending period is **14 days**. Prolongation is only valid with written confirmation by Mass before day of expiration. After retrieving the complete test sample Mass sends a credit note in order to avoid a payment.

When returning the products please take care of :

- **Freight charges** must be prepaid completely by customer.
- Returned products must be shipped in their **original-** or an equivalent **packing**. To avoid any transportation damage please take the same or an equivalent carrier.
- Returned products must be **complete** (hardware, software, manual, cables etc.)
- Returned products **will be charged in case of any damage**, scratches or irregular operation during lending time. Warranty criteria must not be violated.
- MASS charges an **additional handling fee** of EURO 50,-- in case of warranty expiration.

We accept these conditions
